Dear Friends of the Foundation,

We are asking for your support of our annual Stardust Gala. To date this event has contributed well over \$500,000 in support of children and families in need right here in the Halton community; those whose lives have been effected by abuse, neglect, abandonment or family trauma and who are now living under the care of the Halton Children's Aid Society.

The format of our evening is black tie attire, a champagne reception, dinner & dancing; with unique and unusual items in the silent and live auctions and exquisite jewelry in our raffle.

We produce a printed program and signage for the event in which all donors are acknowledged. A power point presentation runs throughout the evening; highlighting our sponsors and major donors, and showing how the funds we raise impact the lives of children.

Of course, we rely on the generosity of sponsors, donors and guests to make our Stardust dream a reality.

The Stardust Gala 2010 marks the 20th anniversary of our Foundation. We are fortunate to have many long-standing generous supporters who will celebrate this milestone with us & along with your support enable us to continue making a significant positive difference in the lives of children we serve.

We look forward to hearing from you and thank you in anticipation of your support.

Yours sincerely,

Krista Dietrich
